

To strengthen and expand the Indo-German network, the News9 Global Summit will take place for the first time in the MHP Arena Stuttgart (photo: MHP).

PRESS RELEASE

November 21, 2024

**International debut: News9 Global Summit**

# Indo-German Business Conference in the MHP Arena

- The first News9 Global Summit will take place in Stuttgart from November 21 to 23, 2024
- The summit is organized by News9, India's largest broadcast network and DFB Broadcasting Partner
- Under the motto "India and Germany - a roadmap for sustainable growth", high-ranking Indian and German decision-makers will discuss relevant topics
- Panel talk with MHP partner and AI expert Stephan Baier: "Artificial Intelligence: Advantage India?"

**Ludwigsburg/Stuttgart** – The News9 Global Summit business conference is celebrating its international debut: the Indian media company News9 is inviting guests to Stuttgart to spend three days discussing economically relevant future topics such as Mobility, Artificial Intelligence and more. The Indian broadcasting network is supported by the state of Baden-Wuerttemberg and VfB Stuttgart. Together with the German Football Association, the Bundesliga and the city of Stuttgart, the international networking event will take place in the MHP Arena in Stuttgart.

MHP will also be represented, including as a speaker on the topic of Artificial Intelligence. In the panel "Artificial Intelligence: Advantage India?", Stephan Baier, Partner and AI expert at MHP, will discuss the opportunities and risks of AI with Indian tech and automotive companies. Stephan Baier is responsible for the development and implementation of AI strategies for companies. His focus is on the automotive industry, where he supports companies in their digital transformation and implements AI solutions. The panel, which will take place on November 22 at 10:20 a.m., will focus on this and the role India plays in this. India's Prime Minister Narendra Modi will be present at the event via live broadcast. Other speakers will be Federal Minister of Food and Agriculture Cem Özdemir and Minister President of Baden-Wuerttemberg Winfried Kretschmann.

# ENABLING YOU TO SHAPE A BETTER TOMORROW >>>

## About MHP

As a technology and business partner, MHP has been digitizing the processes and products of its around 300 mobility and manufacturing sector customers worldwide for 28 years and providing support for their IT transformations along the entire value chain. For the management and IT consultancy, one thing is certain: digitization is one of the biggest levers on the path to a better tomorrow. This is why the Porsche AG company MHP provides both operational and strategic consulting in areas such as customer experience and workforce transformation, supply chain and cloud solutions, platforms and ecosystems, big data and AI, as well as Industry 4.0 and intelligent products. Headquartered in Germany, the consultancy operates internationally with subsidiaries in the USA, Mexico, the UK, Romania, and China. More than 5,000 MHP employees are united by their pursuit of excellence and sustainable success. It is this aspiration that will continue to drive MHP - today and in the future.
