MHP year-end closing for fiscal year 2024

March 18, 2025

## MHP holds its own in a challenging market environment

- The management and IT consultancy's annual financial statements indicate stability and good prospects for the future
- With sales of nearly 830 million euros in fiscal 2024, MHP performed at the same level as the previous year
- MHP is focusing on continuity and strategic investments to ensure sustainable future growth

**Ludwigsburg** – The MHP Group maintained its position in a challenging market environment in 2024 with performance at the same level as the previous year. Over the last fiscal year, the management and IT consultancy achieved a consolidated turnover of nearly 830 million euros (IFRS) and enjoyed a solid 12 months.

Despite global challenges and volatile markets, MHP is resilient and able to adapt successfully to changing conditions. With Strategy 2030 and targeted investments, for example in new markets and in sustainable solutions, the management and IT consultancy has laid the foundation for the future in order to ensure long-term growth and competitiveness.

Marc Zimmermann, Group CFO at MHP, explains: "In a challenging market environment, we succeeded in keeping our business on a stable course, mainly thanks to the commitment and performance of our employees. The key drivers for the future of MHP are our pursuit of innovation, customer orientation and sustainable development. We also aim to have a bigger impact internationally. MHP will therefore continue to grow in line with the clearly defined growth areas of our Strategy 2030. We are looking to the future with confidence, and will further expand our strengths and apply them to more industries and markets."

# ENABLING YOU TO SHAPE A BETTER TOMORROW

## About MHP

As a technology and business partner, MHP has been digitizing the processes and products of approximately 300 customers worldwide in the mobility and manufacturing sectors for 28 years and helping them implement their IT transformations at every stage of the value chain. For the management and IT consultancy, one thing is certain: digitization is one of the biggest levers on the path to a better tomorrow. That is why MHP provides both operational and strategic consulting in areas such as customer experience and workforce transformation, supply chain and cloud solutions, platforms and ecosystems, big data and AI, as well as Industry 4.0 and intelligent products. Headquartered in Germany, the consultancy operates internationally with subsidiaries in the USA, Mexico, the UK, Romania, and China. A commitment to excellence and sustained success unites MHP's workforce of approximately 5,000 employees. It is this aspiration that will continue to drive MHP – today and in the future.
